What is Reflect Dudley?

- Have you had a child removed for adoption or under a special guardianship order?
- Are you 18 or over?
- Would you like someone to be there for you?

Reflect can offer support at this very difficult time in your life. We are here to help you understand your past and make the changes needed for your future.

What can we do?

One to one support for women (and partners) that may include:

- Contraceptive advice and support
- Housing issues
- Self-esteem and confidence building
- Finding services that can help you
- Listening and advising
- Education and employment

Reflect Dudley will support you to develop new skills and to take the positive steps that you identify as being most important.

Our Team:

Our Team consists of a team manager and two project workers who work across the Dudley borough.
