

The background is a light blue gradient with several realistic water droplets of various sizes scattered across it. The droplets have highlights and shadows, giving them a three-dimensional appearance. The text is centered in the middle of the page.

# THE CURRENT PICTURE

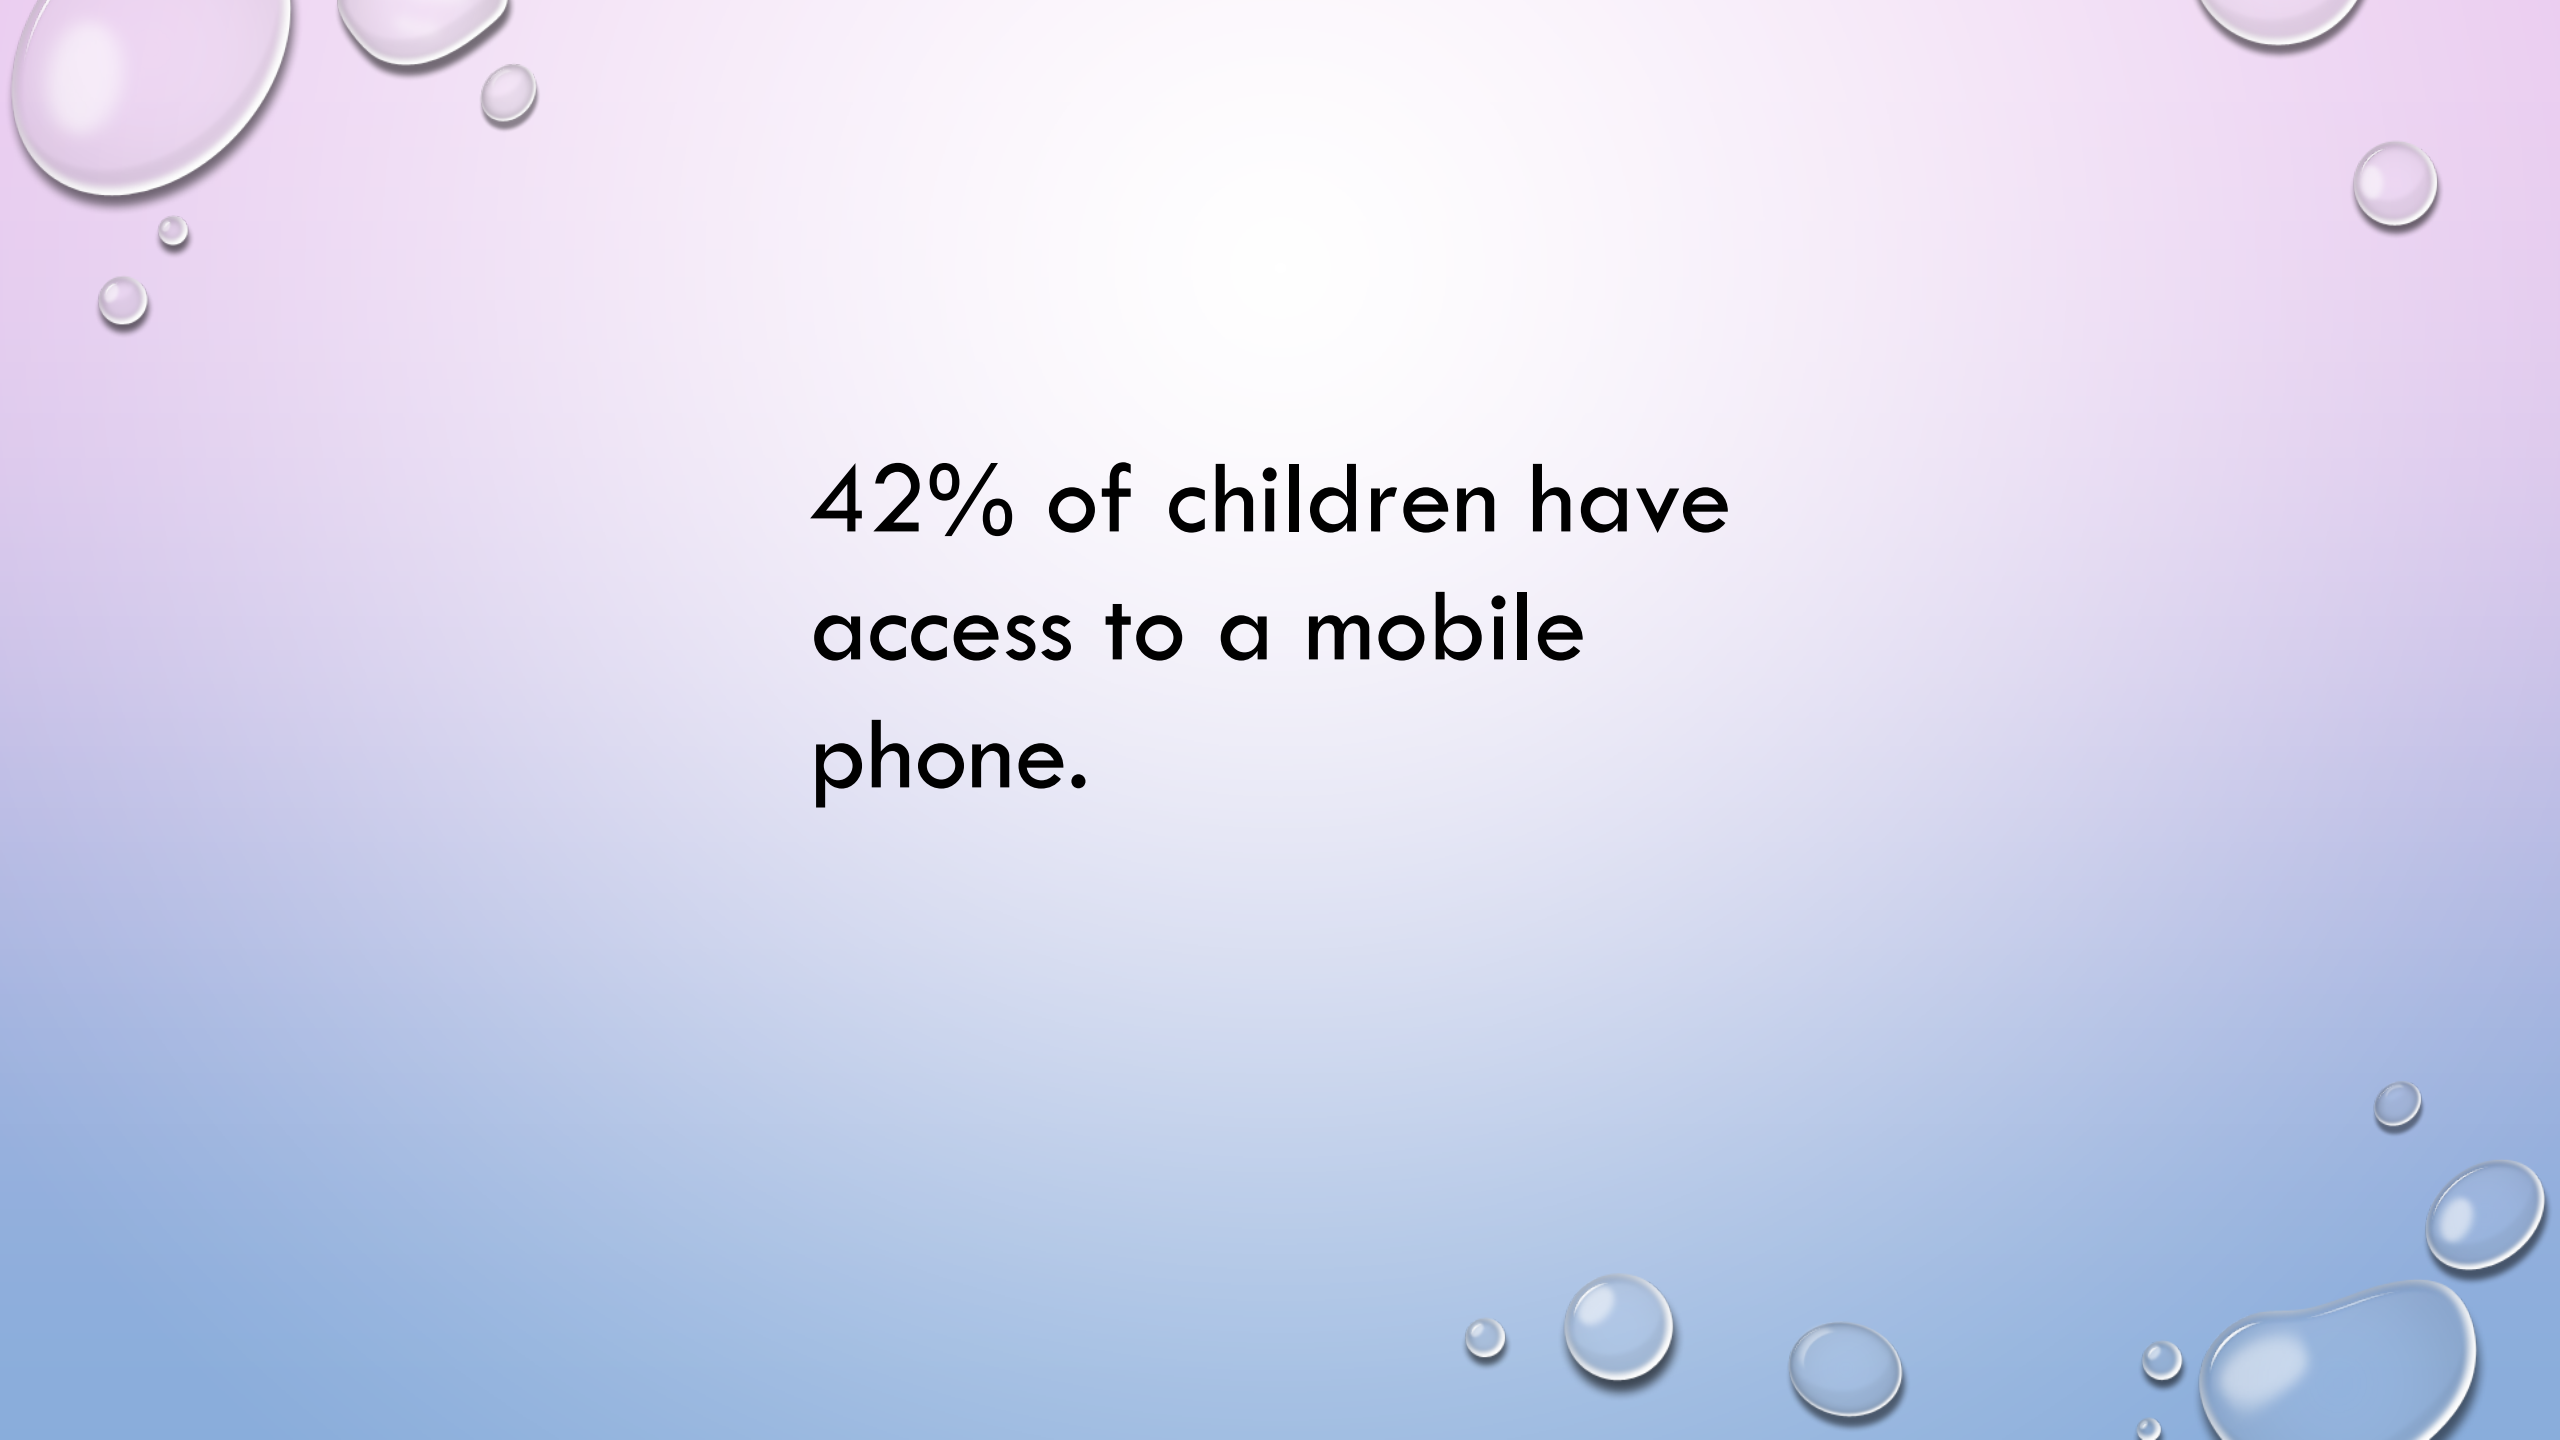

DATA COLLECTED JUNE/JULY 2017

The background features a vertical gradient from light purple at the top to light blue at the bottom. In the top-left corner, there are several realistic water droplets of varying sizes, some overlapping. Similarly, in the bottom-right corner, there are more water droplets, including a large one and several smaller ones. The central text is in a bold, black, sans-serif font.

# RESULTS FROM OUR YEAR 3 AND 4 SURVEY

The background features a light purple-to-blue gradient. In the top-left and bottom-right corners, there are clusters of realistic, 3D-rendered water droplets of various sizes, some overlapping. The text is centered in the middle of the page.

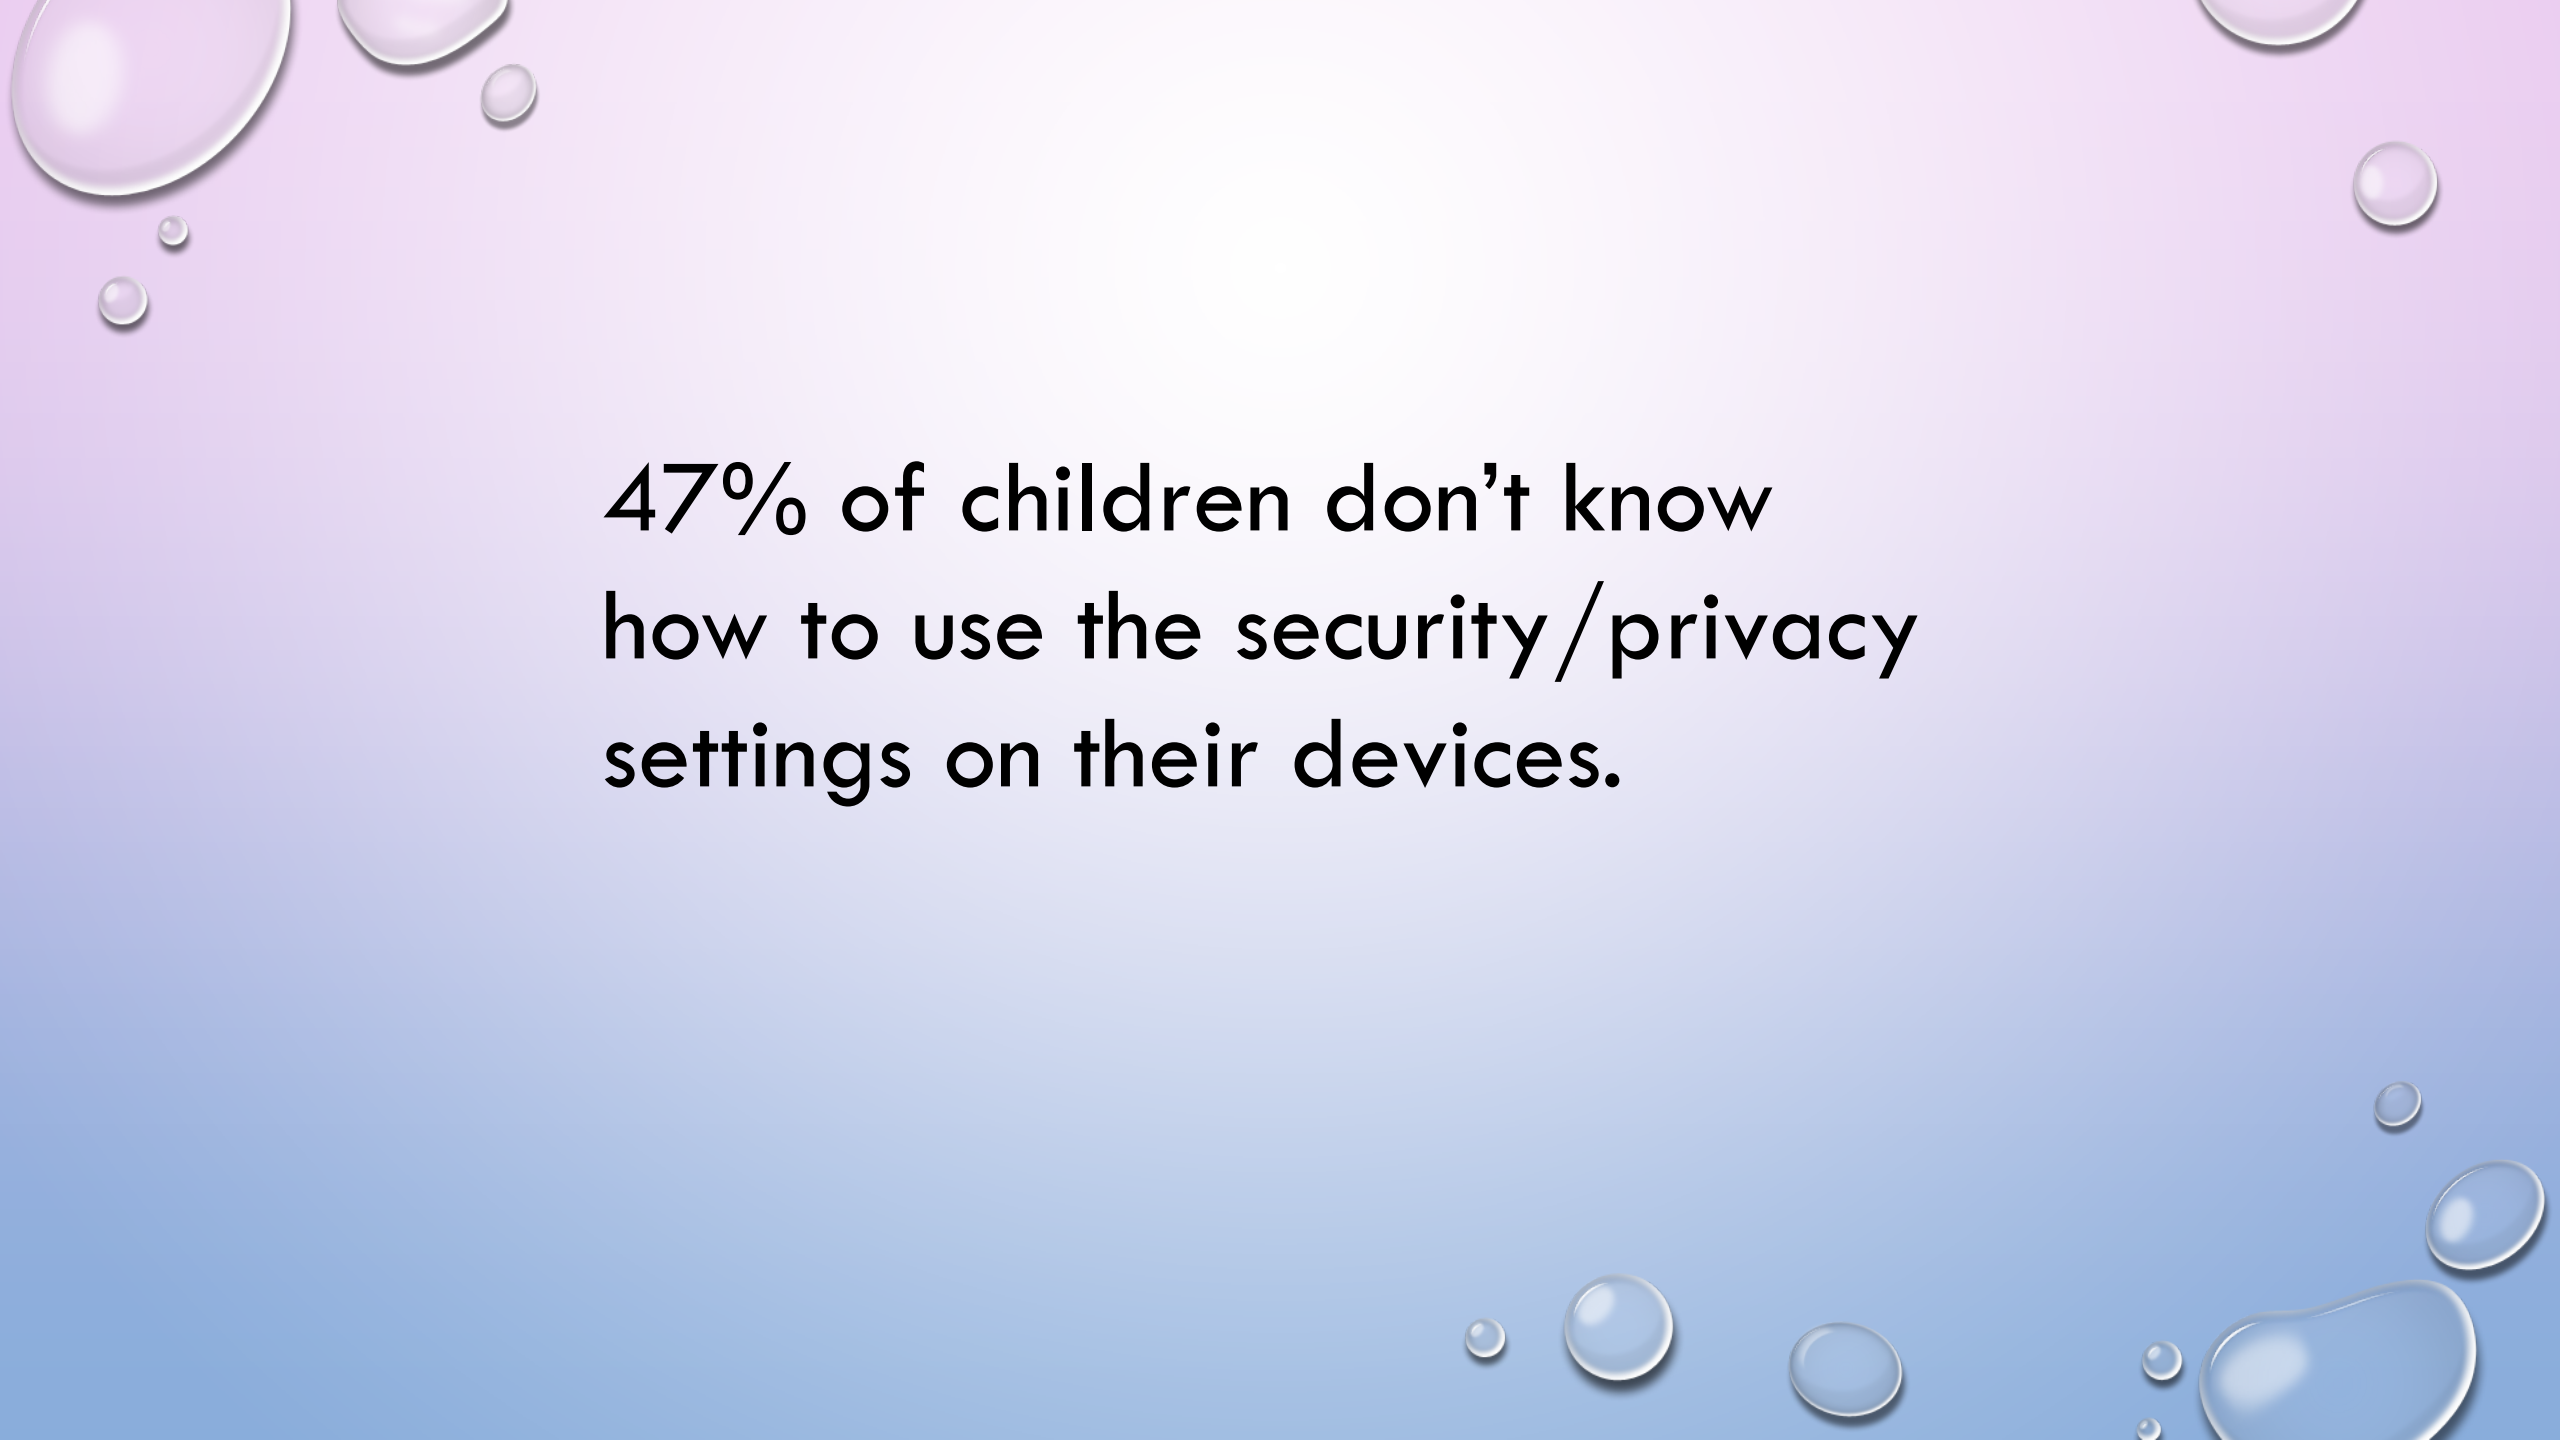

**78% of the children  
have access to a  
tablet or iPad.**

The background features a light purple-to-blue gradient. In the top-left and bottom-right corners, there are clusters of realistic, 3D-rendered water droplets of various sizes, some overlapping. The text is centered in the middle of the page.

**42% of children have  
access to a mobile  
phone.**

**35% of the children use  
their phone when they  
are alone.**

The slide features a light purple-to-blue gradient background. In the top-left and bottom-right corners, there are clusters of realistic, 3D-rendered water droplets of various sizes, some overlapping. The text is centered in the middle of the slide.

47% of children don't know  
how to use the security/privacy  
settings on their devices.

**70% of children use the internet to play games.**

These games include:

Clash of clans

Minecraft

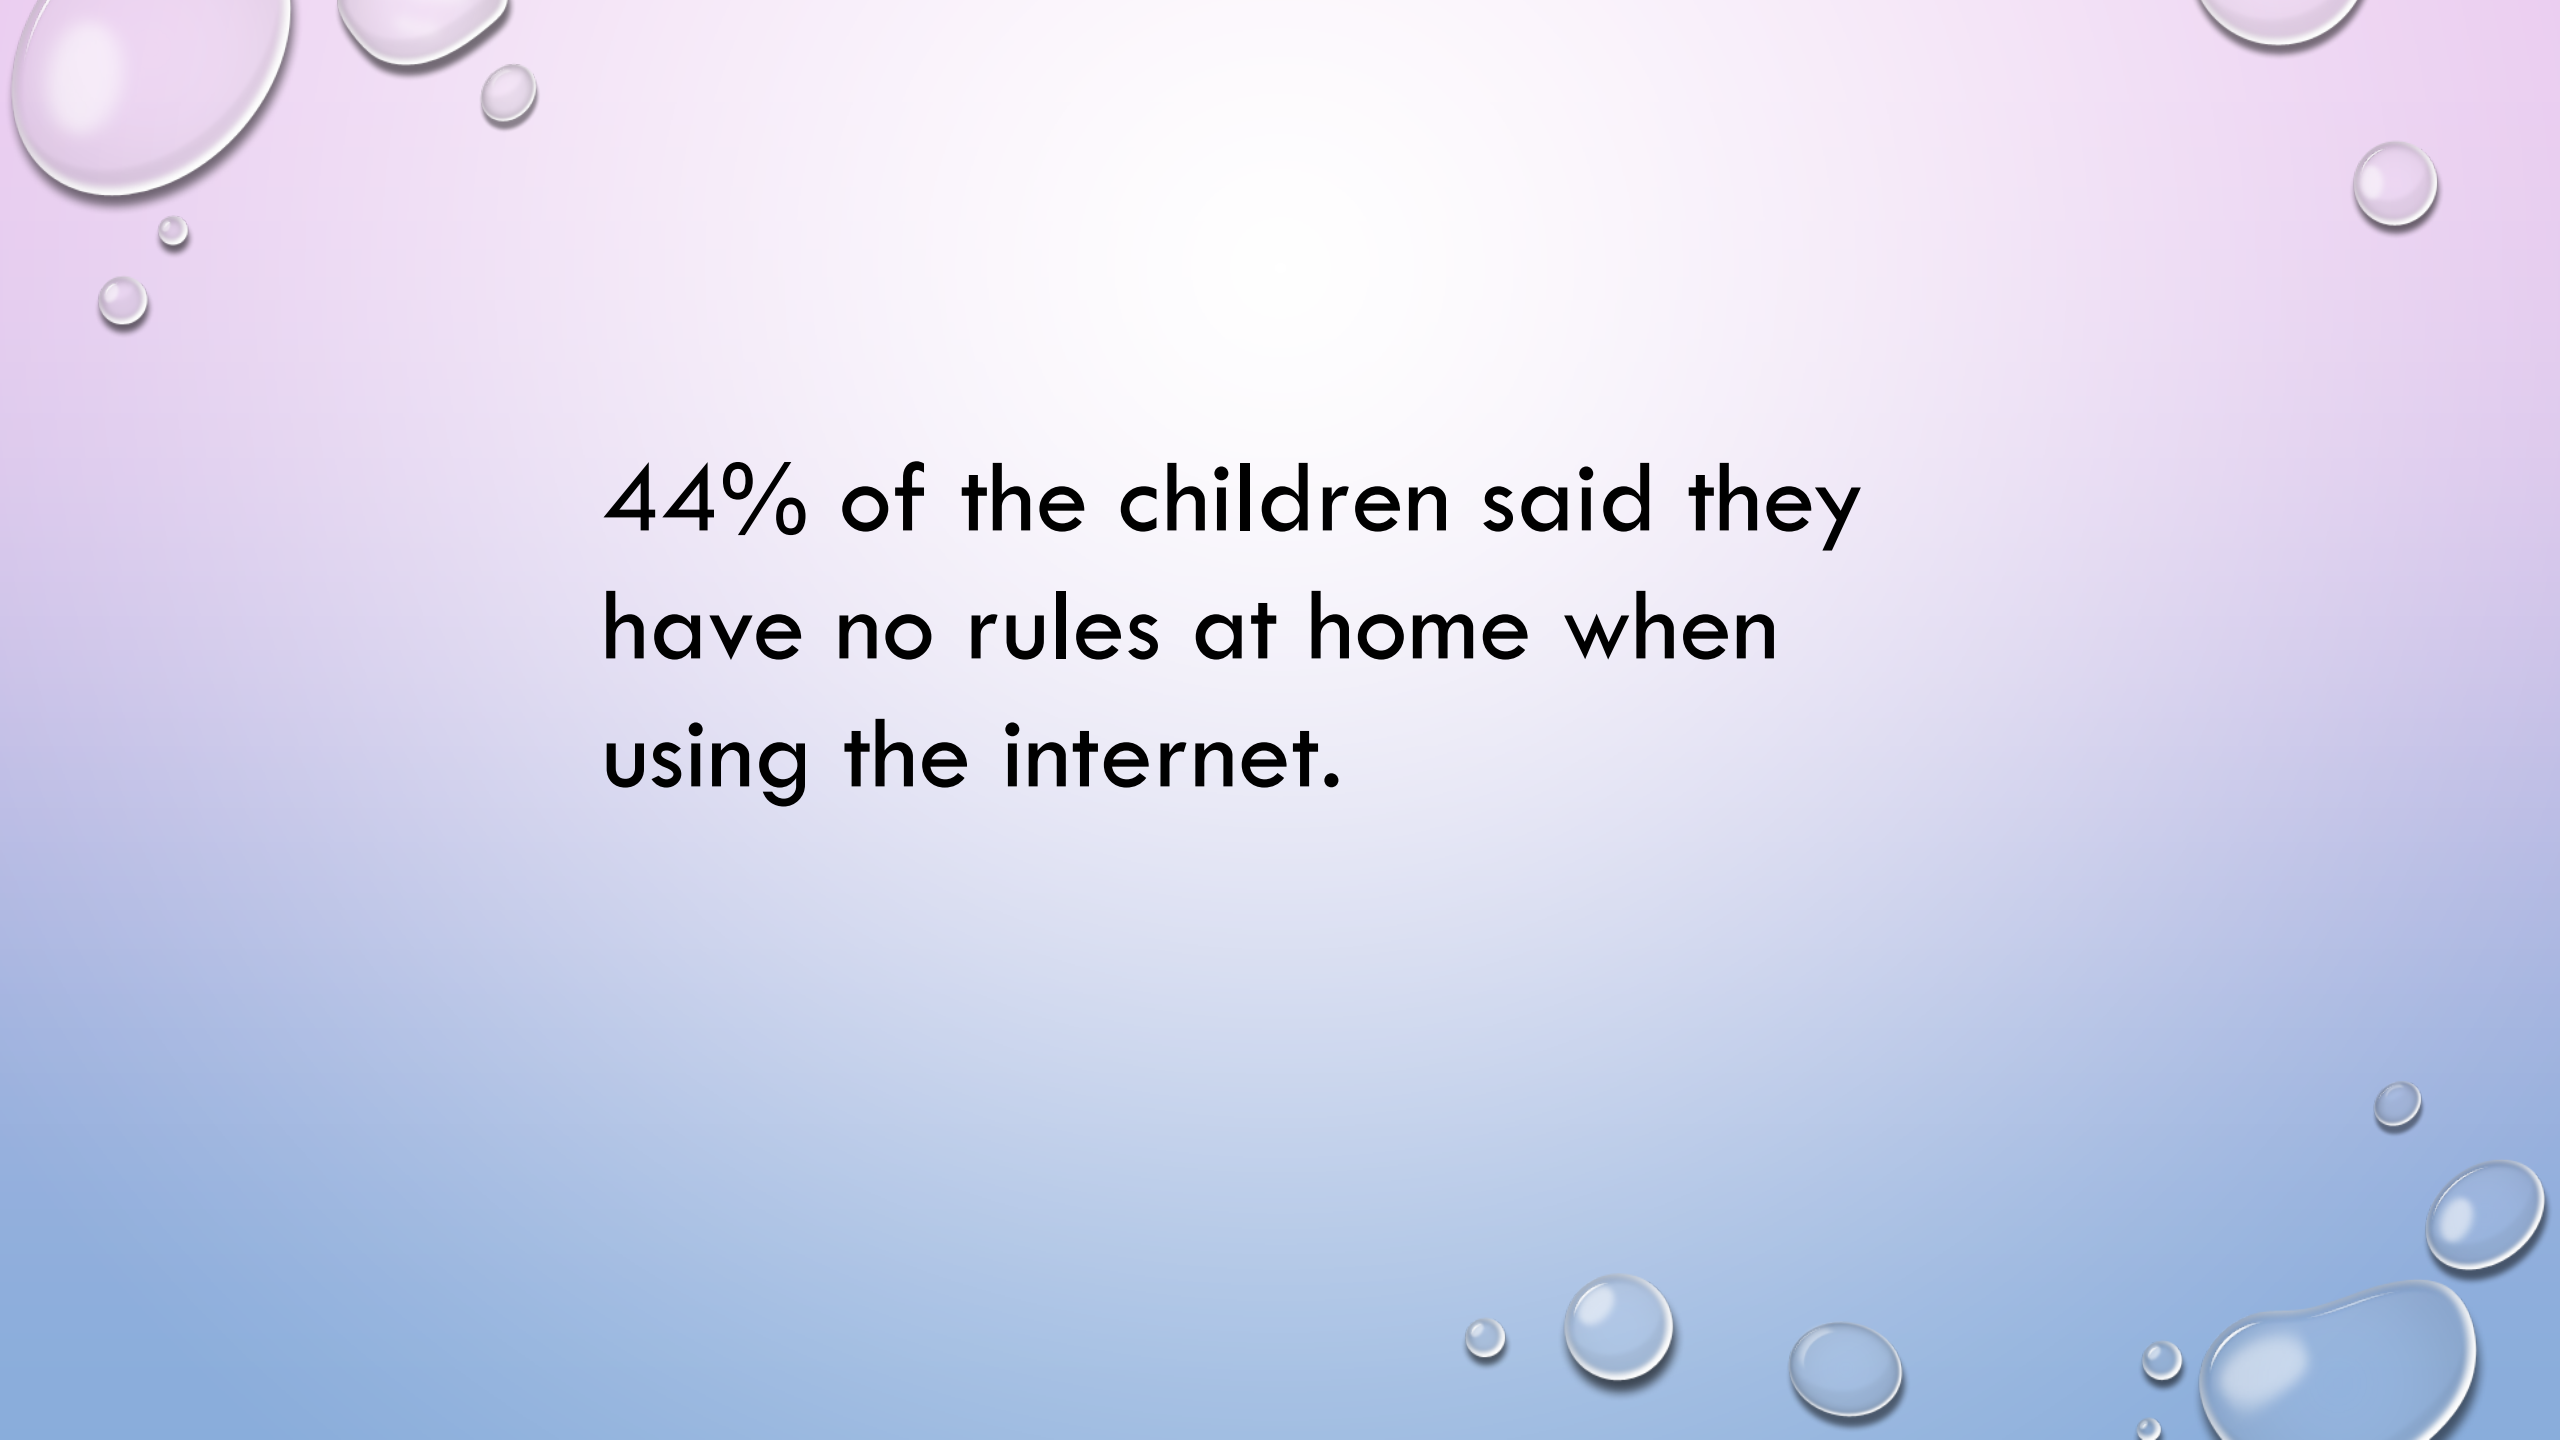

Call of Duty

**82% of children state that  
parents have taught them how  
to stay safe online.**

44% of the children said they have no rules at home when using the internet.

**34% of the children admitted  
to not following rules that were  
set.**

The background features a light purple-to-blue gradient. In the top-left and bottom-right corners, there are clusters of realistic, 3D-rendered water droplets of various sizes, some overlapping. The text is centered in the upper half of the image.

**92% of children use YouTube.**

**32% of children use Snapchat.**

**18% use Instagram.**

**21% of children have received  
a message from someone they  
don't know.**

**39% of the children sometimes  
or never share what they do  
on the internet with you.**

The background features a vertical gradient from light purple at the top to light blue at the bottom. In the top-left and bottom-right corners, there are clusters of realistic, 3D-rendered water droplets of various sizes, some overlapping. The text is centered horizontally in the middle of the page.

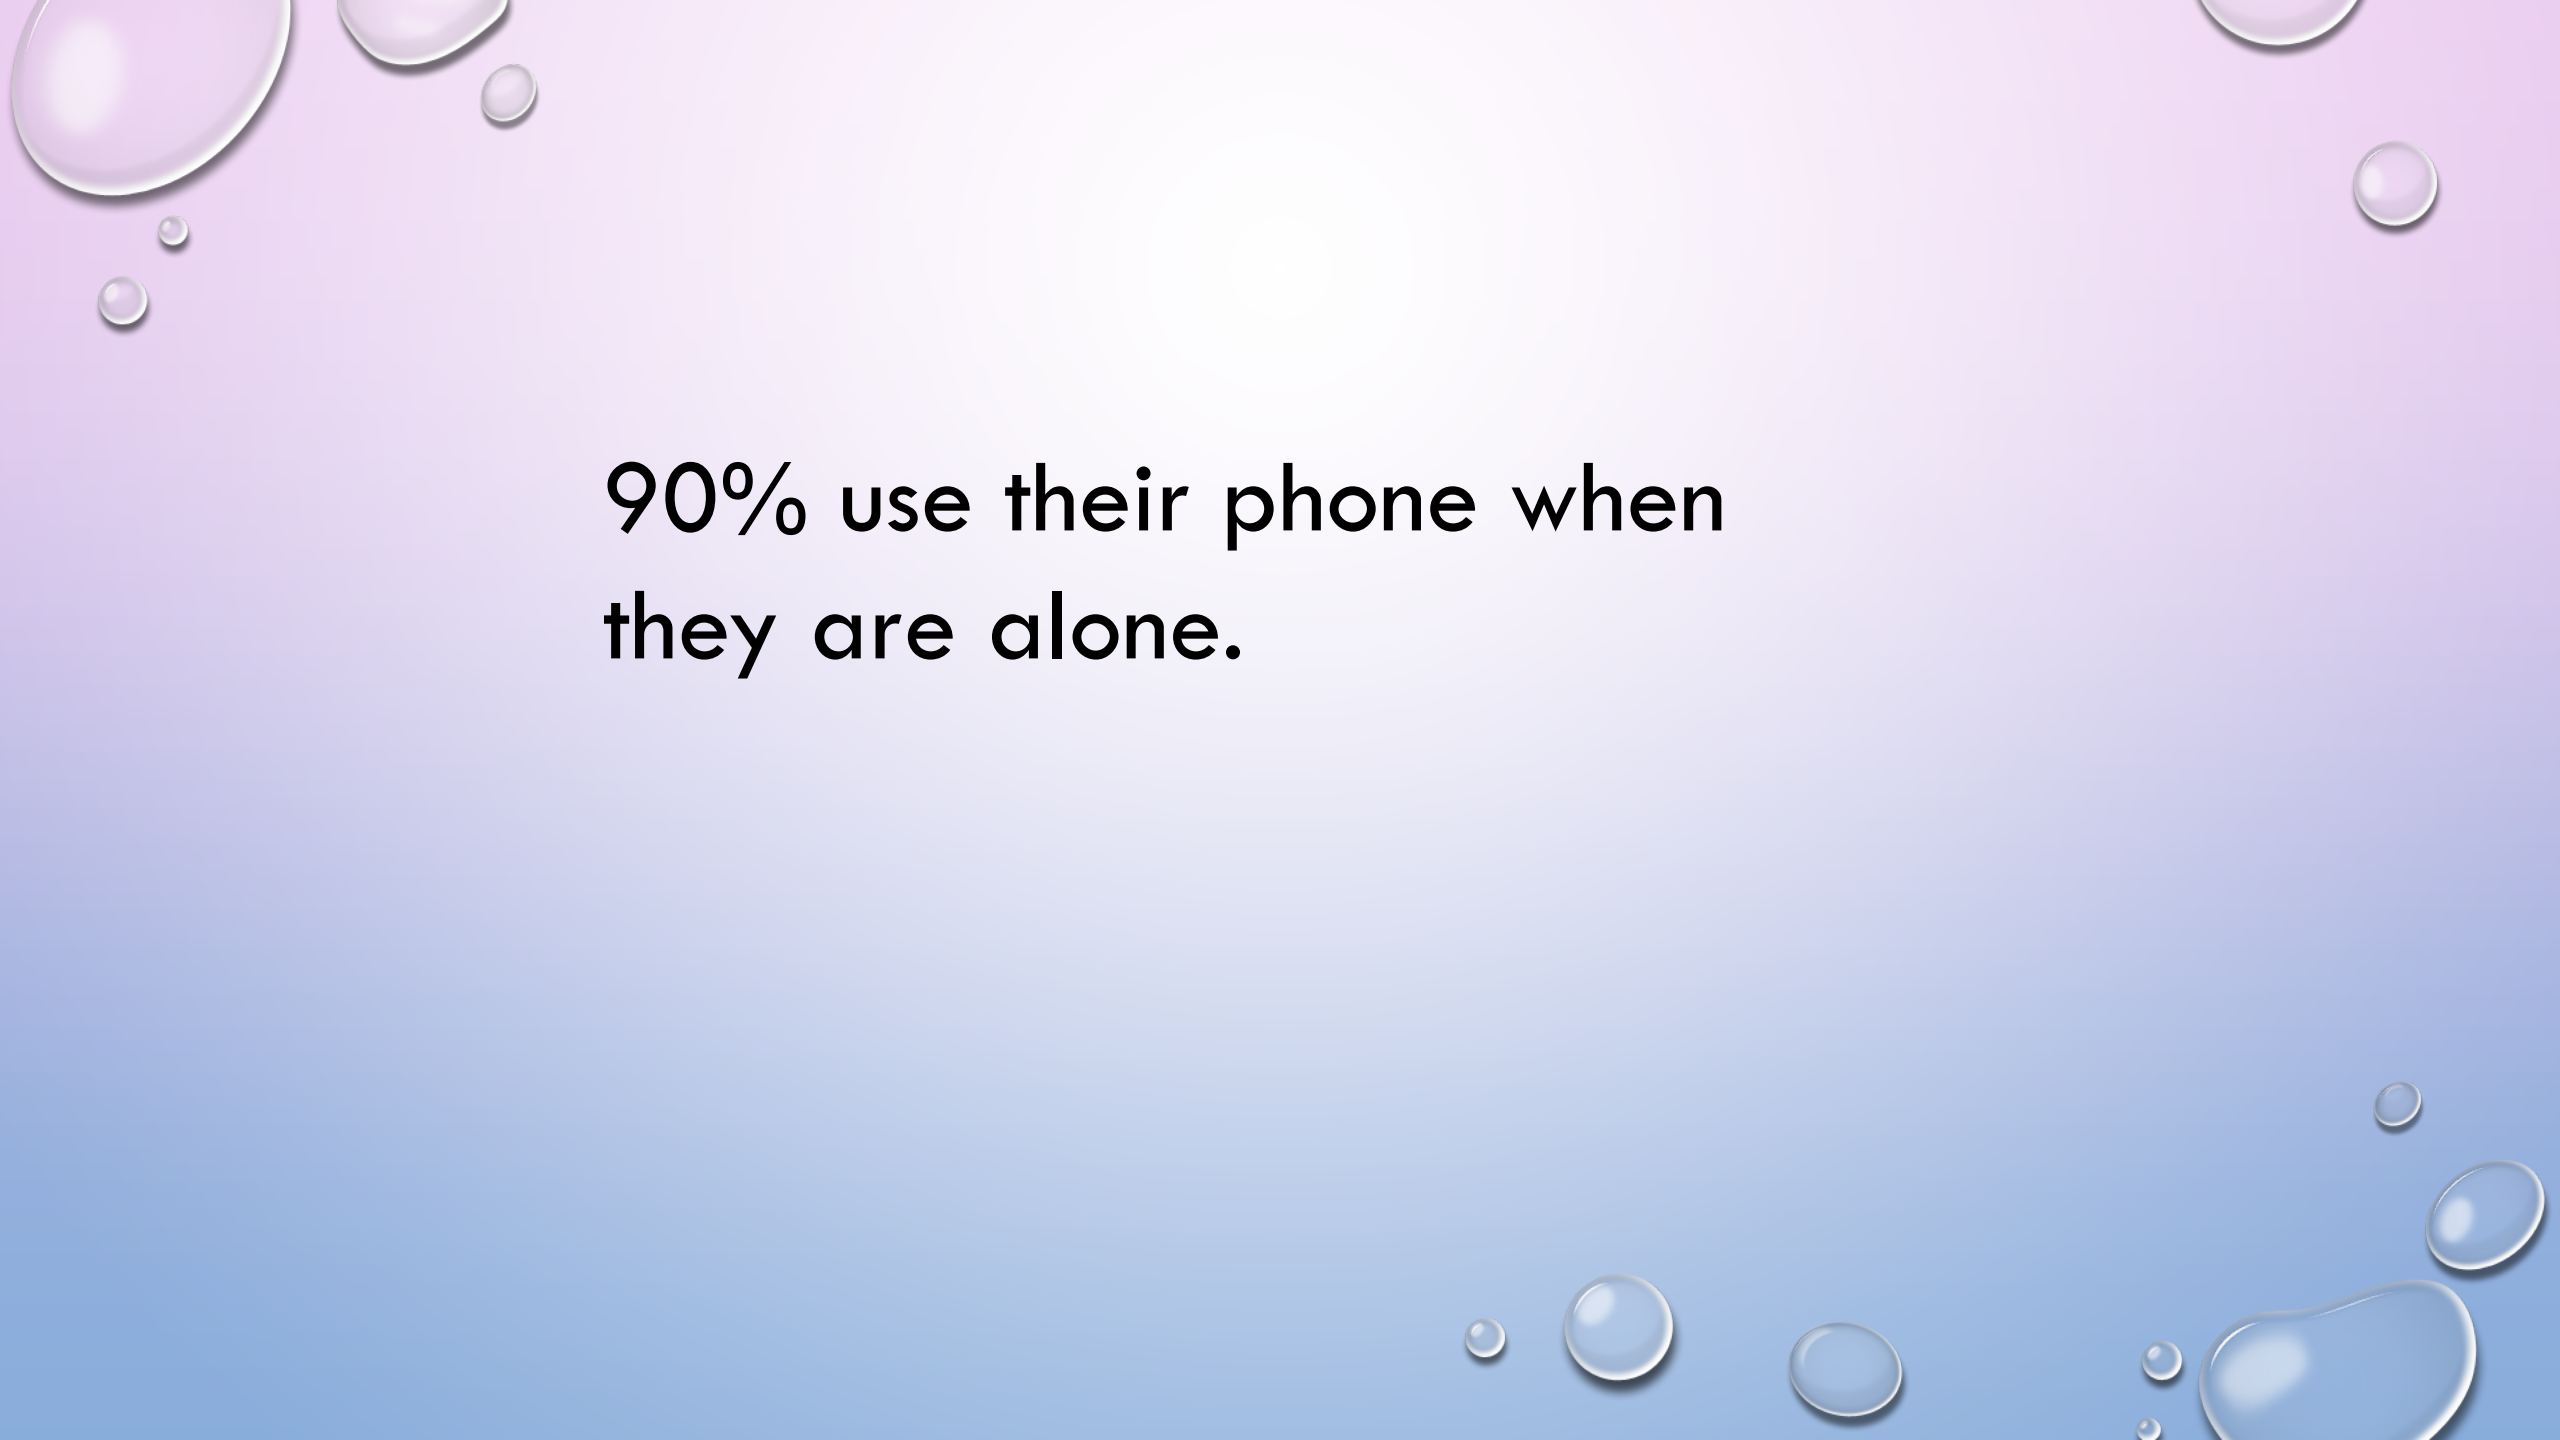

# RESULTS FROM OUR YEAR 5 AND 6 SURVEY

**78% of children have a  
mobile phone**

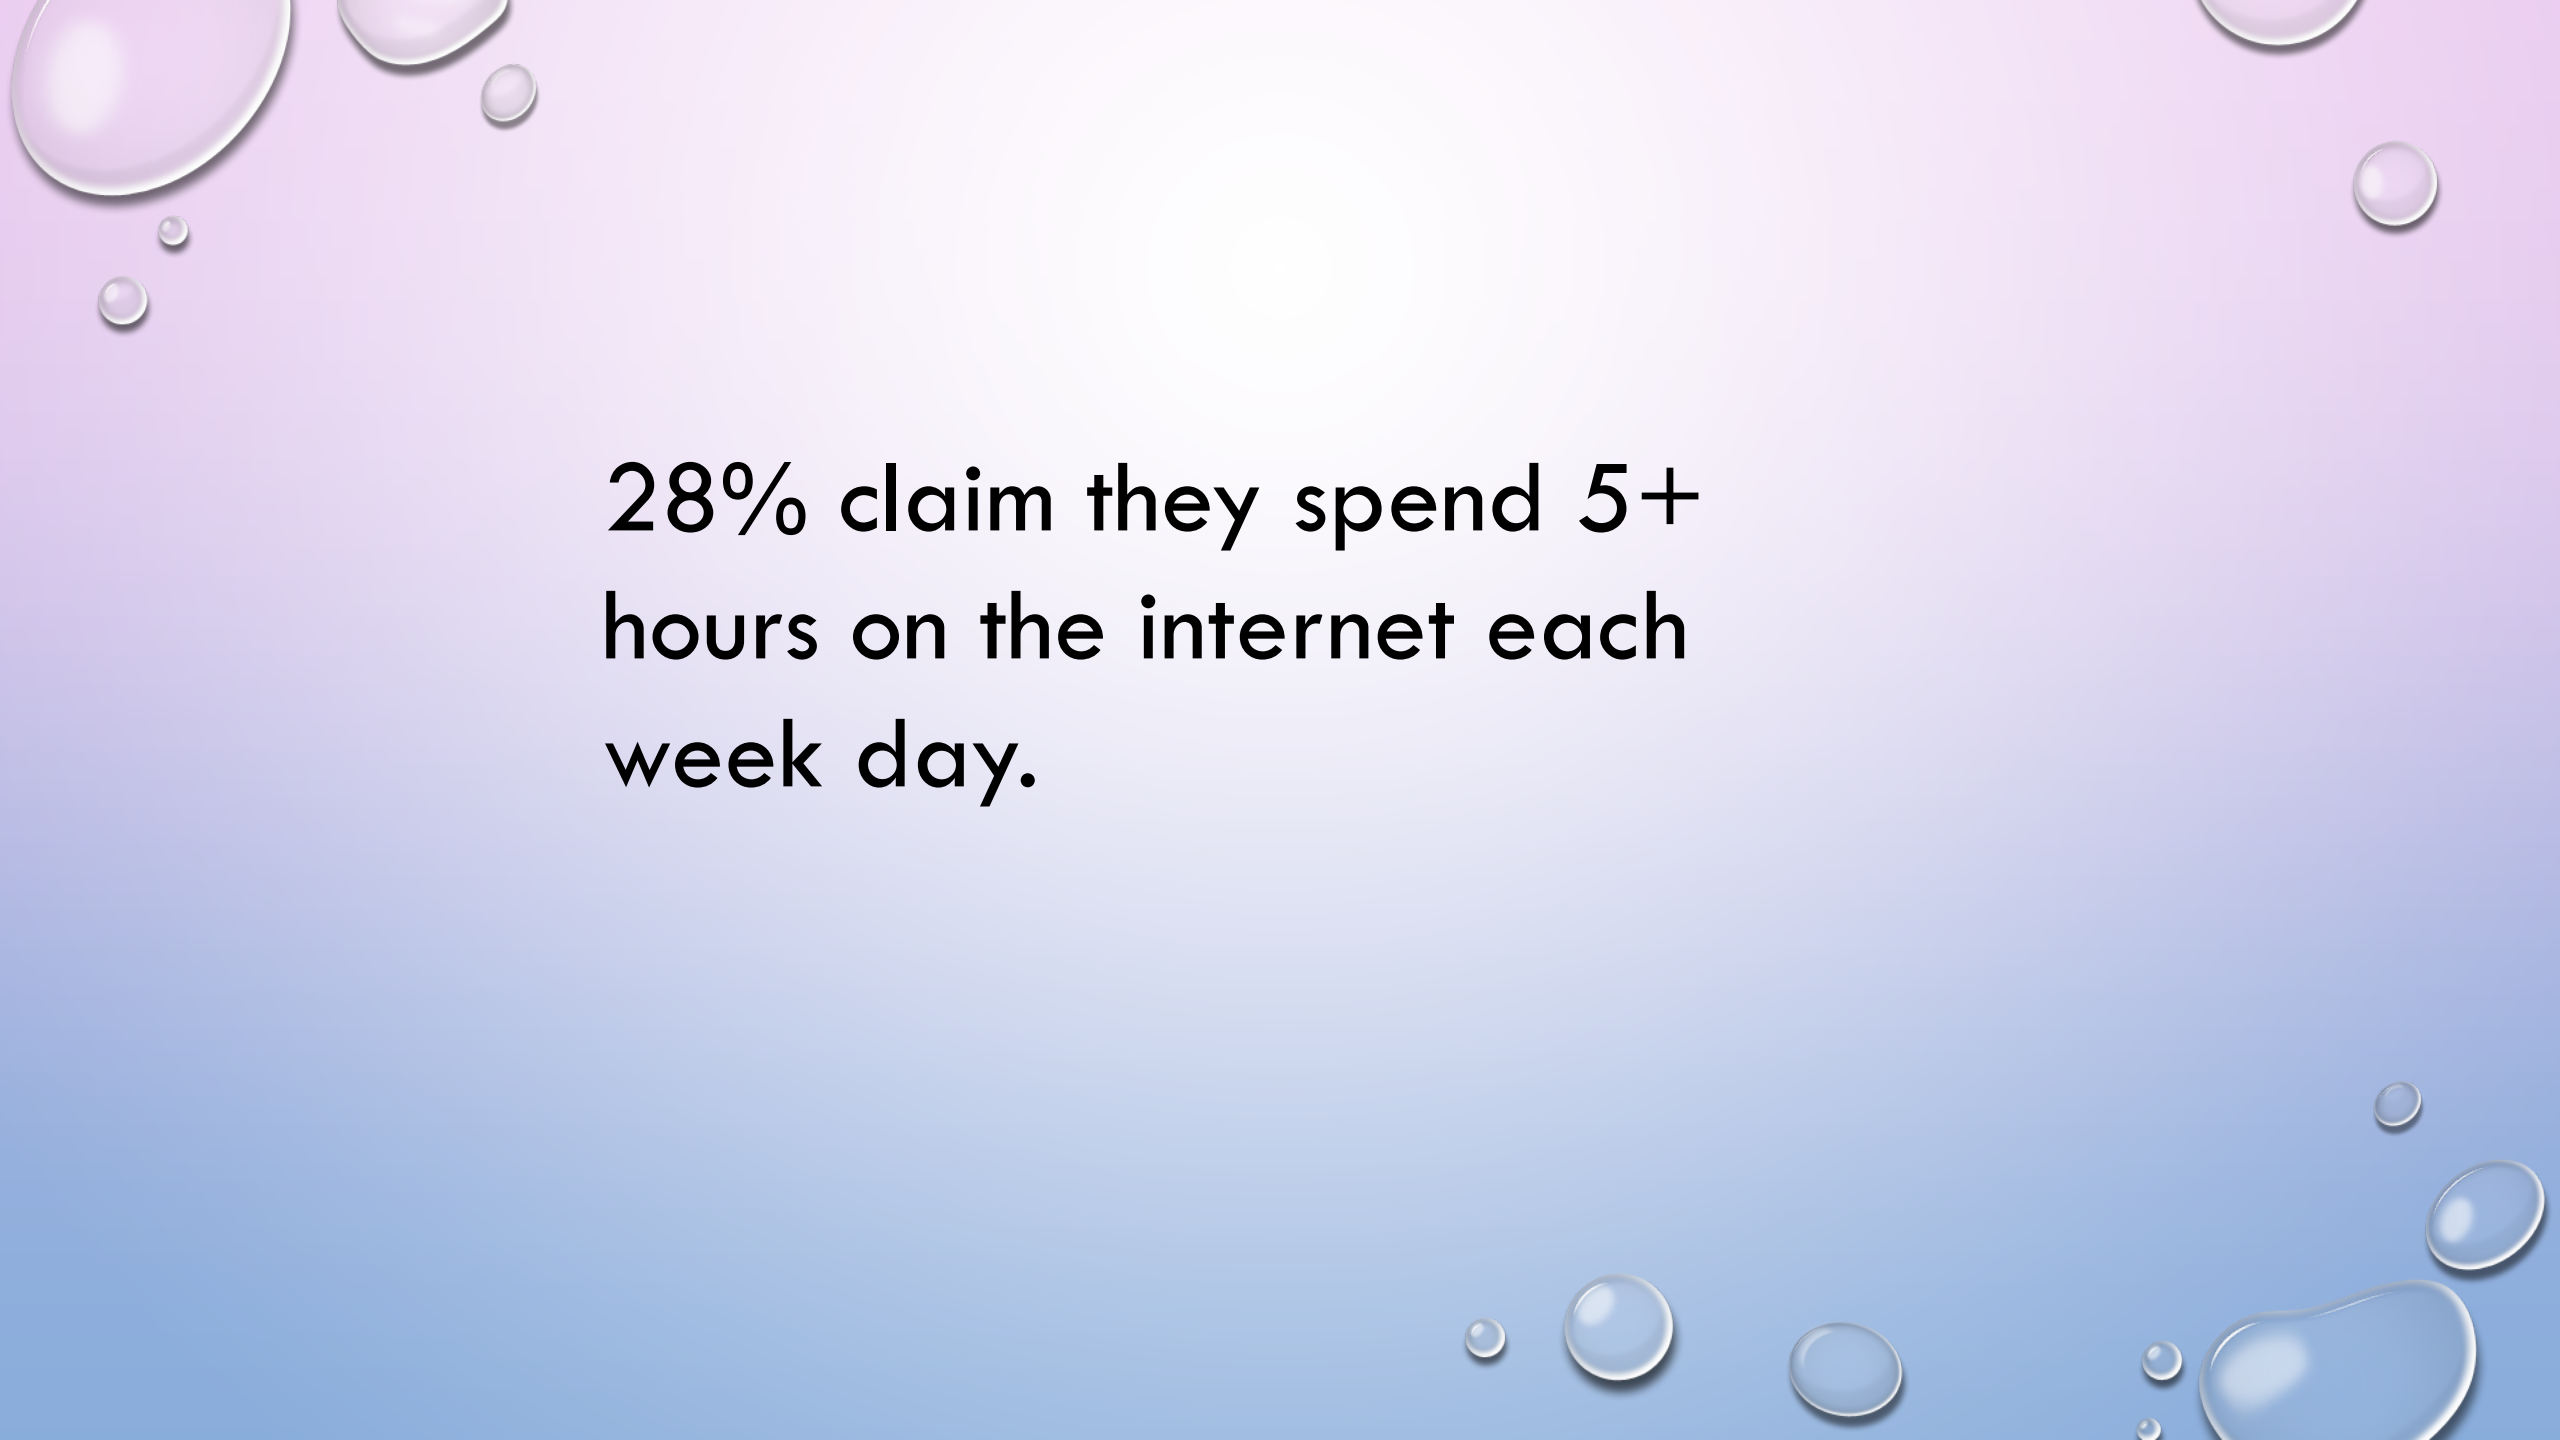

**84% of children have a  
mobile phone**

The background features a light purple-to-blue gradient. In the top-left and bottom-right corners, there are clusters of realistic, 3D-rendered water droplets of various sizes, some overlapping. The text is centered in the upper half of the image.

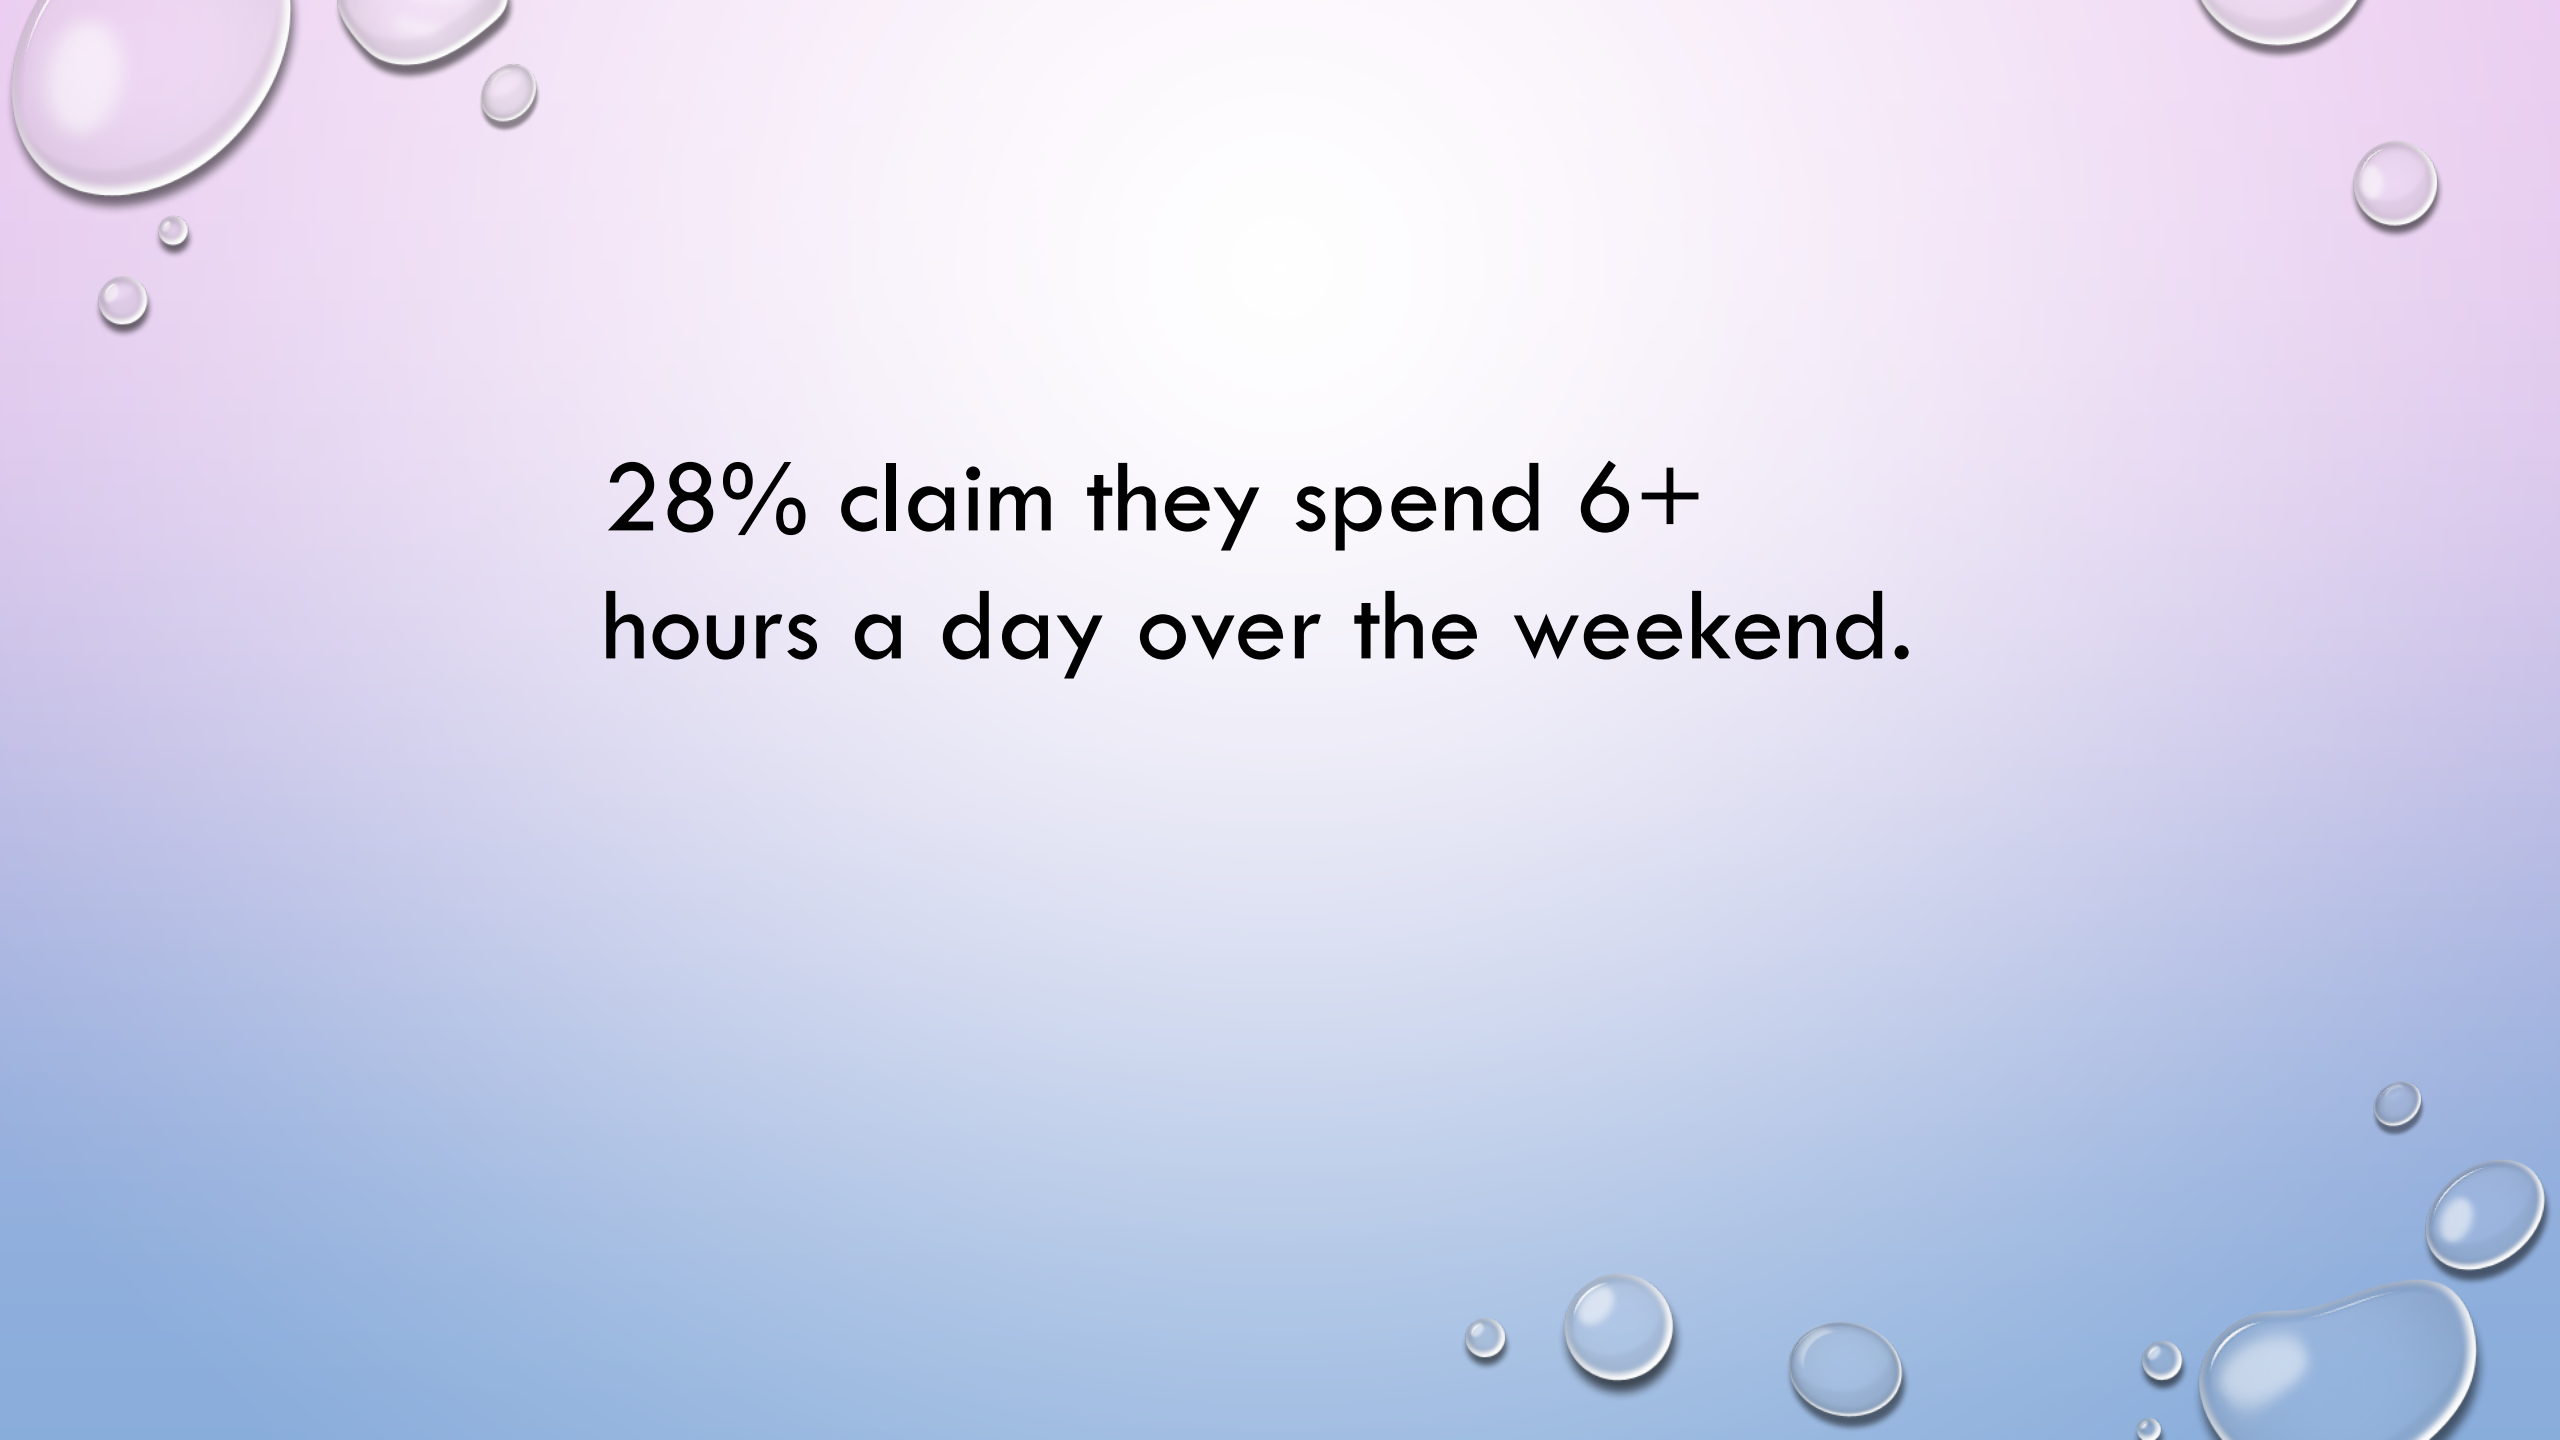

**90% use their phone when  
they are alone.**

The background features a vertical gradient from light purple at the top to light blue at the bottom. In the top-left and bottom-right corners, there are clusters of realistic, 3D-rendered water droplets of various sizes, some overlapping. The text is centered in the upper half of the image.

**56% sleep with their phone in their room.**

28% claim they spend 5+  
hours on the internet each  
week day.

The background features a light purple-to-blue gradient. In the top-left and bottom-right corners, there are clusters of realistic water droplets of various sizes, some overlapping, with highlights and shadows that give them a three-dimensional appearance.

**28% claim they spend 6+  
hours a day over the weekend.**

72% say that parents have  
taught them how to be safe  
online

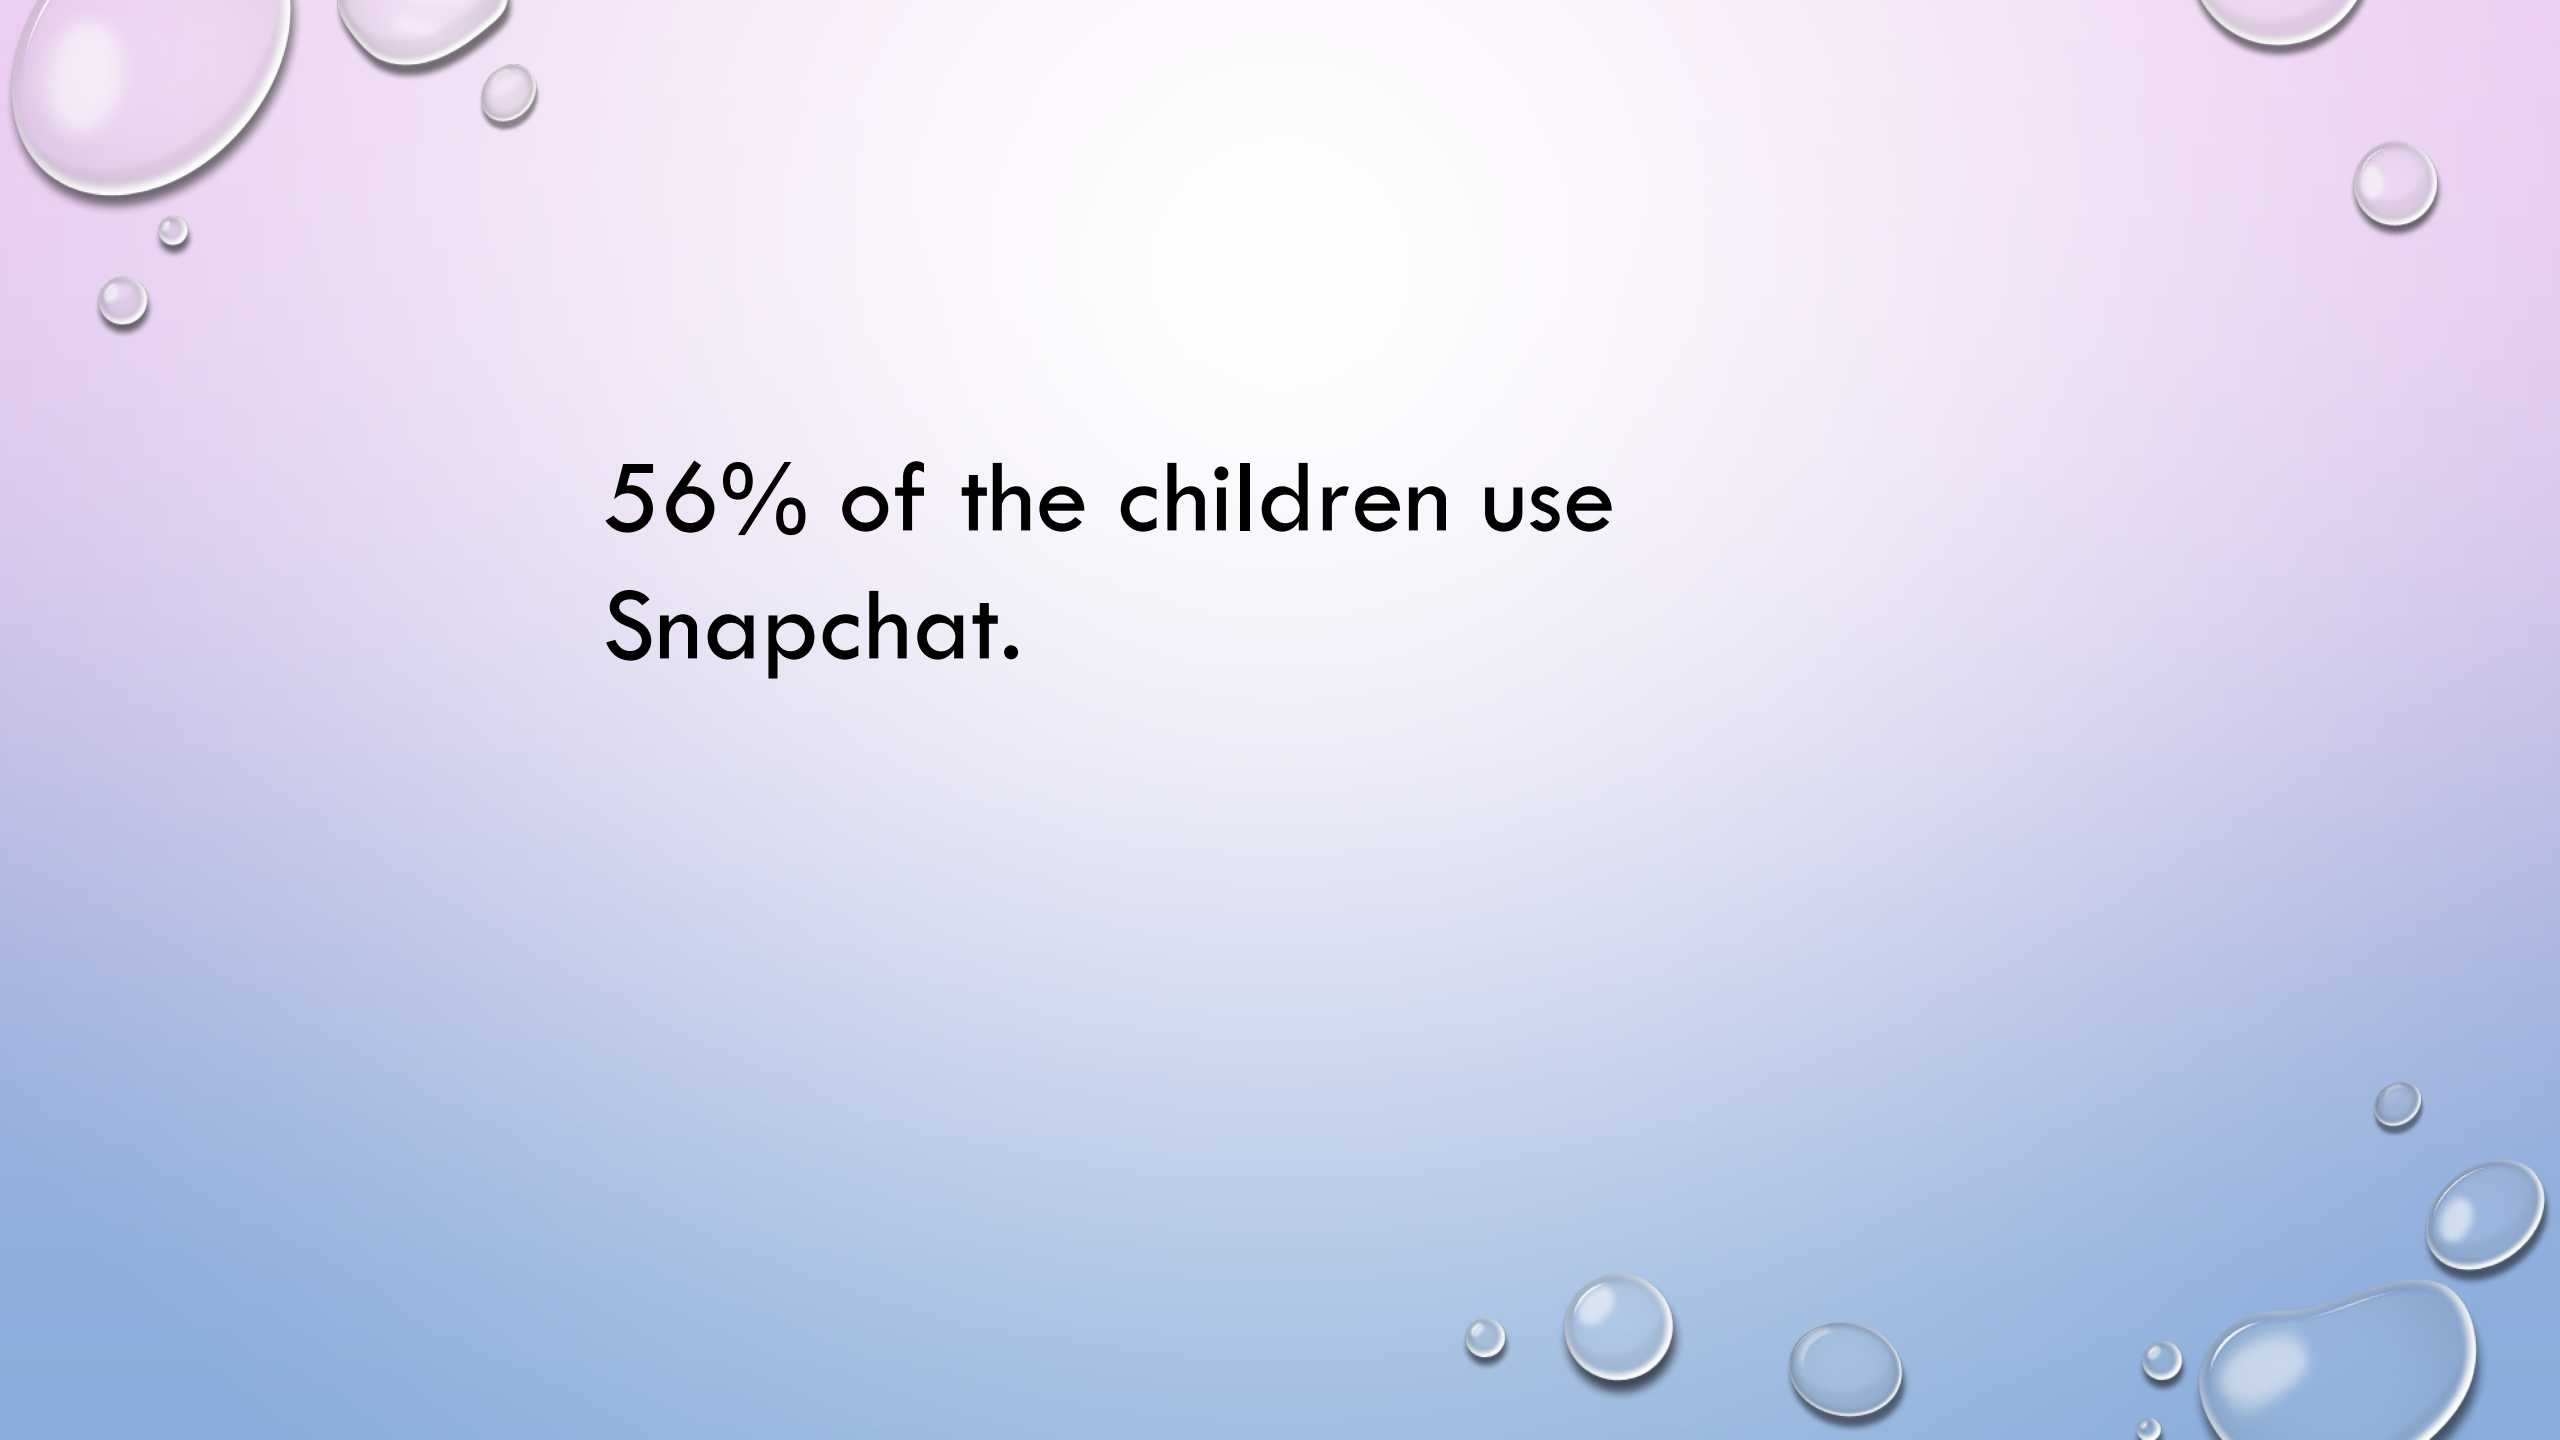

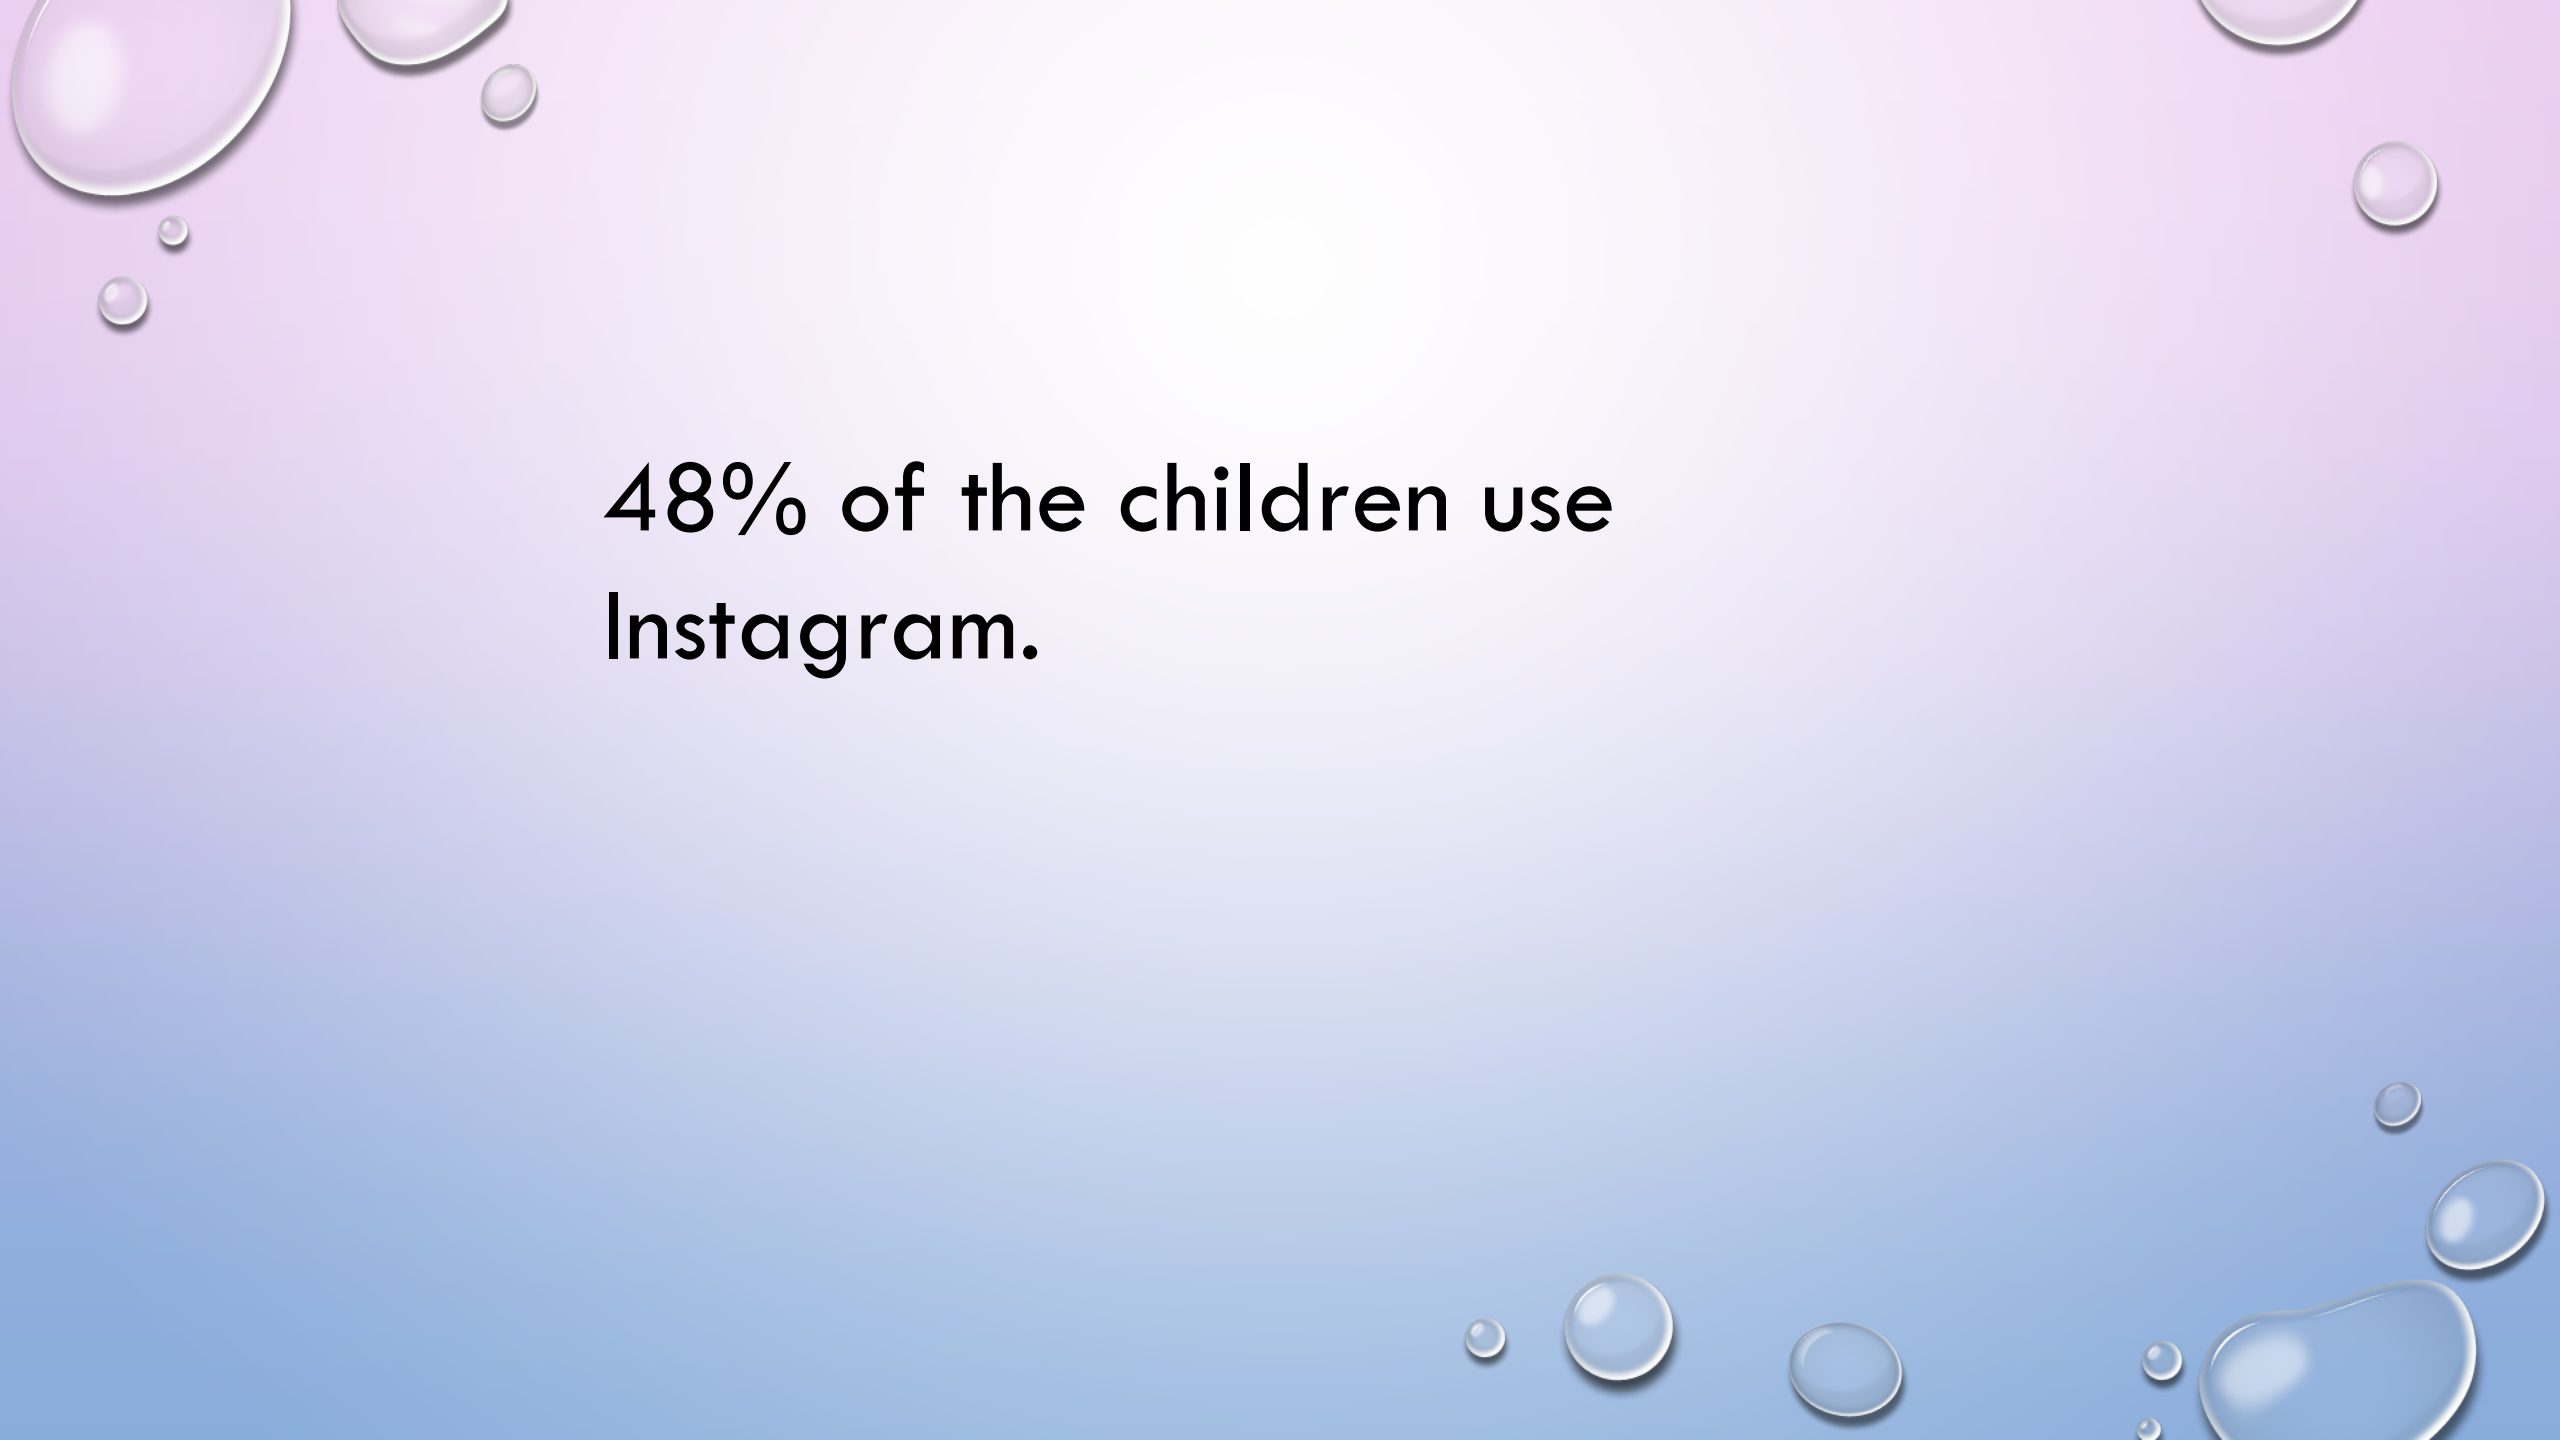

**44% of the children say they  
have no rules or boundaries.**

The background features a light purple-to-blue gradient. In the top-left and bottom-right corners, there are clusters of realistic, 3D-rendered water droplets of various sizes, some overlapping. The text is centered in the middle of the page.

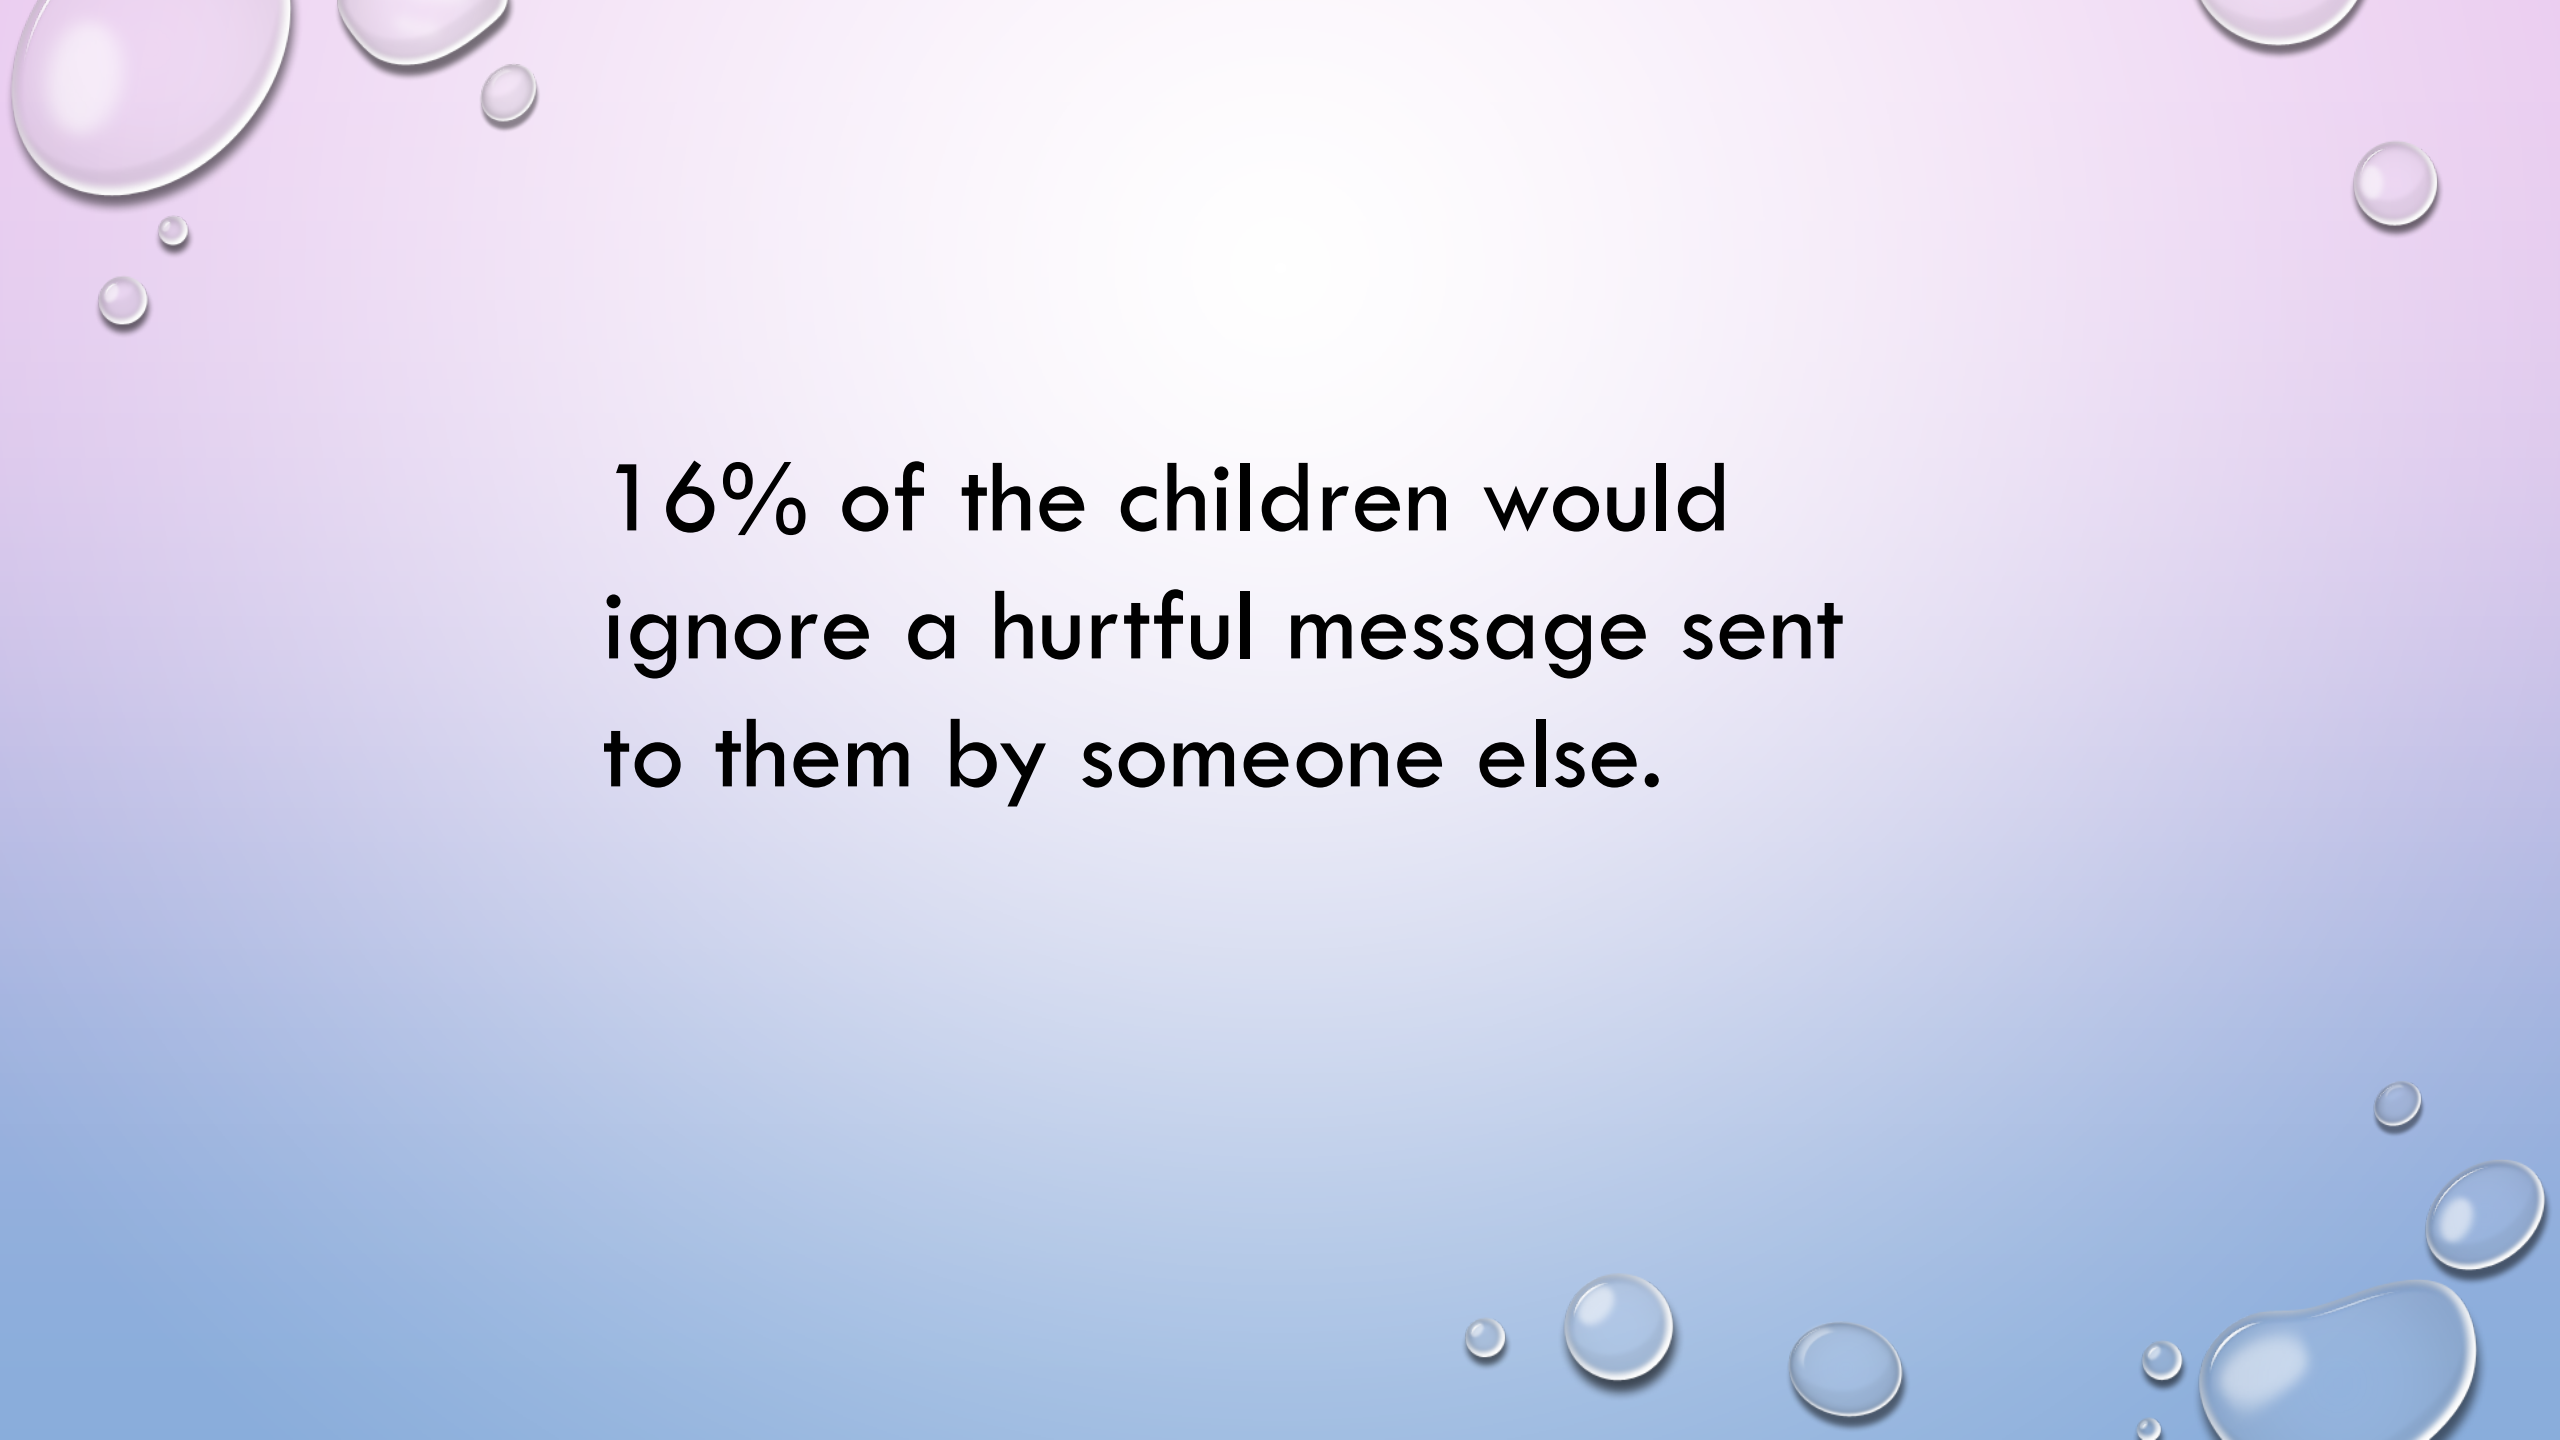

**60% sometimes or never share  
what they do on the internet  
with you.**

The background features a light purple-to-blue gradient. In the top-left and bottom-right corners, there are clusters of realistic, 3D-rendered water droplets of various sizes, some overlapping. The text is centered in the upper half of the image.

**56% of the children use  
Snapchat.**
